### DEAR YOU,

Would you like to come on holiday with us this year? As ever, there are loads of fun and exceptionally exciting options available.

# Dear Parent,

**Safe, affordable, fun, friendly.** When you take your kids away on holiday you want them to have a great time in an exciting setting... well, we want the same! We've created great holidays with high standards of supervision and fully qualified instructors so young people can have an amazing adventure.

We know parenting is one of the biggest adventures of all. We don't take it lightly at all that you decide to entrust your kids to us for a few days. Through our holidays we want to offer every young person new challenges and opportunities, memorable activities, friendship and genuinely life-changing experiences. We will make looking after them our highest priority!

Holidays Manager

## PARENT APPROVED

*In a recent independent review of our holidays*

**97%** of parents said SU Holidays offer a safe and enjoyable holiday experience

**95%** said our holidays were an excellent way to teach young people about the Christian faith

**94%** said our holidays helped young people grow in confidence and self-esteem

## YOU BELONG HERE

This is not just a strapline - building a sense of belonging is right at the heart of what we think matters on holidays. We want every single young person to feel safe and included. We offer high levels of care and a group system where everyone belongs in a small group with a leader. We don't tolerate bullying.

### Young people BENEFIT

Research shows that young people benefit from coming on an SU Holiday in a whole range of ways. 97% of young people who have been on an SU Holiday say they are brilliant fun. Experiencing new activities, going away from home without parents and spending time with friends all help young people to develop and grow.

### TEAM effort

Each event has a Team Leader and a dedicated team of committed group leaders, cooks, activity providers and other helpers. Most team members are volunteers, some are SU Scotland staff and ALL are carefully vetted and approved through Scotland's PVG scheme for working with children.

### We've done it BEFORE

We've been running holidays in Scotland for over 70 years, so we know a thing or two about what works! Each year is different and we are constantly updating and developing what we offer, but the long-term experience counts too. We have always believed that SU Holidays are about making sure that every young person has the best holiday ever. And, we have always offered time and space to find out about the Christian faith. We still do!

### About the Christian FAITH

We think there is something special about being away on holiday together. It creates a sense of community and discovery. Our holidays offer everyone time to find out more about the Christian faith, to worship God and find out more about him through large group activities, music and small group discussions.

# WHAT'S ON AT SU Holidays

## TRY EVERYTHING

If you want to do as many different things as possible on your holiday and still have plenty of time to relax with friends, our multi-activity holidays might be just right. *Look on pages 14 – 18.*

## FESTIVAL

You can come on an SU Holiday at Soul Survivor Scotland this summer at Lendrick Muir, and experience all that a Christian festival has to offer. *See page 19.*

## CHECK THE NUMBERS

We think all of our holidays represent great value for money, but you'll see there's a range of prices. Some types of specialist activity and accommodation just cost more! We keep all the pricing tight so there are great options, even if you are on a budget.

## WHERE'S HOME?

Lots of our holidays have travel options available. Depending on where you live, you may find that some holidays suit better than others. *Full details online.*

## SPECIALISE

You'll also find a whole range of specialist activities on offer. Don't miss surfing, coder camp, music, snowsports, creative arts and more. *Get the detail on pages 20 – 23.*

## INDOORS OR OUT

We have holidays where you sleep in a big house or residential centre and others where all or some of the accommodation is in tents. What's your idea of a holiday? Check out the details and choose the one that suits. *See pages 11-13.*

## COME FOR THE WEEKEND

We have loads of weekend events during term time, so if you want to start by trying out a shorter break, or you want to book a weekend as well as a holiday, look out for details online.
